IRcameras.com

- Cable Fault Locating & Transformer Test Equipment
- Low Resistance Ohmmeters & Battery Test Equipment
- Protective Relay & Circuit Breaker Test Sets
- Oil Test Sets & Insulation Resistance Testers
- Hand-Held Test Instruments
- Protective Relay, Battery, HV Circuit Breaker Test Sets
- Primary Injection Test Sets
- Frequency Response Analysis and Investigative Tool
- Motor Circuit Analyzer

- Hand-Held Infrared Cameras
- Process Monitoring and Surveillance Infrared Cameras
- Hand-Held & Permanently Installed Infrared Cameras
- Infrared Viewing Windows – IEEE approved

- Power Quality Instruments
- Power Quality Analyzers (hand-held)
- Signature System/Encore Series (permanently installed)

- Measurement & Control Instrumentation
- Battery Monitors

- Short Circuit/Coordination & Power Quality Studies

- Transformer Cooling Fans & Specialty Connectors
- Gen'l Purpose & Load Tap Changer Filtering Equip.
- Terminal Blocks & Test Switches

- Watt-hour Meter Test Equipment & Test Jacks
- Meter Adapter Recorders

- Onsite, Customized Training Courses
- Open Enrollment Training Courses
- Motor Diagnostic Training
- Infrared Training & Certification
